Sir/Madam,

It is hereby informed that all school functionaries must ensure **100% attendance of both teachers and students is marked online** on a daily basis without fail. This is a critical component of our monitoring system and is being regularly reviewed at the higher level.

In order to address any issues or challenges faced by schools in the process of online attendance marking, KYAN Usage, UDISE Entry etc., a **dedicated one-hour online support session** is being organized **every Thursday from 12:00 PM to 1:00 PM**.

All schools facing any difficulties must make it a point to join the session and get their issues resolved in real time.

Your cooperation in ensuring compliance and timely resolution of issues is highly appreciated.
