District Kangra H.P

Subject: Regarding verification of the coordinates (Longitude & Latitude) of school location on UDISE

Sir/Madam,

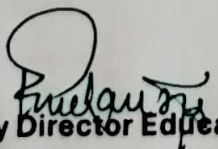

In the reference to the letter no HPSES-STARs/MIS-VSK-2024,1427 dated 7 Aug 2025 received from the office State Project Director, Samagra Shiksha Abhiyan, Himachal Pradesh, it is hereby informed that soon, attendance marking in the Smart Upasthiti system will be validated through Geo-Fencing.

In this regard, you are requested to kindly verify the Geo-Location of your school, as entered in UDISE (Latitude and Longitude), by visiting the portal: <https://schoolgis.nic.in/>.

If any discrepancy is found, please report the correct Latitude and Longitude to your respective Block Office at the earliest so that the location can be updated accordingly. This will help ensure smooth functioning of attendance marking through Smart Upasthiti in the future.

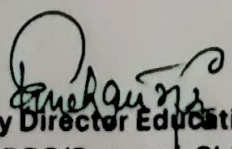

All schools are requested to verify their location without fail.

In case any query you may contact District MIS Incharge/DPM VSK/BRCC office.

Subject:

Updation of School Location on UDISE for Implementation of Geo-Fencing Feature in Smart Upasthiti

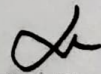

Sir,

As you are aware, marking attendance on the Smart Upasthiti platform was made mandatory for all schools across the state w.e.f. April 1, 2025, as per the direction of the Worthy Secretary (Education). We are pleased to note that since April 26, 2025, over 95% of schools have been consistently submitting geo-tagged attendance, reflecting a significant step towards real-time and transparent attendance monitoring.

As the next step in strengthening this system, we are now moving towards the implementation of the Geo-fencing feature for attendance marking. This enhancement will further ensure accuracy and authenticity in daily attendance records.

In this regard, all District MIS Incharges are requested to ensure that the latest and correct geographical location (latitude and longitude) of each school is duly updated on the UDISE portal for your respective districts. This step is crucial to enable the successful rollout of geo-fencing functionality.

Your cooperation in ensuring timely and accurate data updation is highly appreciated. For any queries or clarifications, you may reach out to the State MIS team.

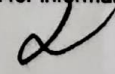

Rajesh Sharma, IFS
