**Subject: Regarding Non usage and non-syncing of KYAN Devices -
Clarification Required**

Sir/Madam,

The undersigned has discovered that in numerous schools throughout the district, the KYAN device is not being utilized and synced on a regular basis. As you are aware, in order to successfully include digital learning tools into classroom instruction KYAN must be used frequently and synced on time (at least once in a week).

As a result, **you are asked to provide a written justification** for why the KYAN device in your school is not being used or synchronized on a regular basis. In addition to mentioning any operational or technical difficulties encountered, your response should explicitly explain the reasons behind the same.

In addition, you are instructed to start using and synchronizing KYAN on a regular basis right away, making sure that it is used efficiently as a teaching-learning tool.

You can get in touch with the District MIS Incharge-cum-ICT Coordinator and for any technical support contact 18001808800.

Treat it as Most Urgent & Time Bound.
